# London Hackspace

# London Hackspace

London Hackspace is
a non-profit hackerspace
in London: a community-run
workshop where people come
To share tools and knowledge.

We're a thriving
community of hackers,
electronics geeks, makers,
tinkerers, metal and
woodworkers, lockpickers,
knitters, beer brewers, and
much more. You'll always
be able to find someone
who shares your interests
among our members.
