

# London Hackspace

## Do you like making things?

### A non-profit hackerspace in London:

A community-run workshop where people come to share tools and knowledge.

- 3D printing
  - Laser cutting
  - Lathes
  - Milling machine
  - Woodwork shop
  - Electronics lab
  - + many more
- **Visit us on a Tuesday:** We hold open evenings every Tuesday from 7pm where members and non-members hang out, hack on projects, socialise, and collaborate.
  - Our members have a hand in the running of the organisation as well as 24/7 access to the space. Pay us what you think is fair

Nearest underground: **Wembley Central**

388 High Road, **HA9 6AR**
